## Project Update

### 12/1/16

---

Evelina Bakhturina

Michael Higgins

Matthew Dunn

# Update

- Currently collecting data from users
- Building visualization tools for user views
- Collected YouTube metadata about each video
- Finalizing v2 recommendation algorithm
- Updated website for better user experience

# Next Steps

- Collect more data
- Visualize recommendation algorithms
- Evaluate recommendation in relation to YouTube metadata

# Questions?

---
